## Robeco BP US Premium Equities IB USD (LU1807417636)

Robeco BP US Premium Equities är en aktivt förvaltad fond som investerar i värdeaktier i USA. Urvalet av dessa värdeaktier baseras på fundamental analys. Fondens mål är att ge en högre avkastning än indexet. Portföljen byggs konsekvent ur ett specifikt perspektiv som visar en attraktiv värdering, starka affärsfundament och affärs-momentum under förbättring. Dessa företag kan vara stora, mellanstora eller små.

Management Company: Robeco Institutional Asset Management B.V.

## Objectives and investment policy

Robeco BP US Premium Equities is an actively managed fund that invests in value stocks in the United States. The selection of these value stocks is based on fundamental analysis. The fund's objective is to achieve a better return than the index. The portfolio is consistently built from the bottom up, to exhibit attractive valuation, strong business fundamentals and improving business momentum. These companies can be large-caps, mid-caps or small-caps.

The fund promotes E&S (i.e. Environmental and Social) characteristics within the meaning of Article 8 of the European Sustainable Finance Disclosure Regulation, integrates sustainability risks in the investment process and applies Robeco's Good Governance policy. The fund applies sustainability indicators, including but not limited to, normative, activity-based and region based exclusions, proxy voting and engagement.

Investments are predominantly made in securities denominated in US dollars.

Benchmark: Russell 3000 Value Index (Gross Total Return, USD)

The Sub-fund is actively managed. The securities selected for the Sub-fund's investment

universe may be components of the Benchmark, but securities outside the Benchmark may be selected too. The investment policy is not constrained by a benchmark but the Sub-fund uses a benchmark for comparison purposes. The Portfolio Manager has discretion over the composition of the portfolio subject to the investment objectives. The Sub-fund can deviate substantially from the issuer, country and sector weightings of the benchmark. There are no restrictions on the deviation from the benchmark. The benchmark is a broad market weighted index that is not consistent with the environmental, social and governance characteristics promoted by the Sub-fund.

This share class of the fund will distribute dividend.

You can purchase or sell units in the fund on any valuation day. This fund may not be appropriate for investors who plan to withdraw their money within 5 years.

## Risk and reward profile

Historical data, such as is used in calculating the synthetic indicator, is not a reliable indication of the future risk profile. The risk and reward category shown is not guaranteed to remain unchanged, the categorization may shift over time. The lowest category does not mean a risk-free investment.

The charges are used to pay the costs of running the fund, including the costs of marketing and distributing. The charges reduce the potential growth of the investment.

The entry and exit charges shown are the maximum figures. Contact your financial advisor or distributor to find out the actual entry or exit charge.

\*Dependent on the distribution channel, it is possible that additional costs are charged by the distributor.

Ongoing charges are based on the expenses for the last calendar year ended 31-12-2024. This figure may vary from year to year and does not include performance fees or transaction costs, except in the case of exit/entry charges paid by the UCITS when buying or selling units in another collective investment undertaking. For funds launched or for fee changes that are implemented during the current calendar year, the ongoing charge is estimated.

For more information on fees, charges and performance fee calculation methods we refer to section Fees and Expenses within the prospectus, available on the website: [www.robeco.com](http://www.robeco.com)
